

# GRATITUDE ATTITUDE

IS AN  
2017 - 18

& GOING STRONG

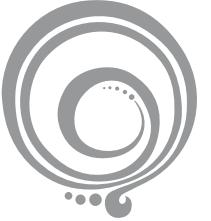

*The Brand 'Archidply' was formed keeping in mind the  
Architects and Interior Designers  
who have partnered together with Archidply to create a brand that is  
the first choice of home and space planners.*

**ARCH + ID = ARCHID**

*To signal our gratitude and strengthen our  
commitment to a fabulous partnership with  
Architects and Interior designers.*

**Archidlam Graciously Dedicates**

**2017-2018  
as The Year of Gratitude**

From a small saw mill to a force to reckon with, Archidlam has come a long way in the last 40 years. A commitment to customer satisfaction and a dedication to research and development has brought the company to the threshold of a wide network of distributors across India. It is also exporting to major nations of the world. Archidlam is now a household name in turning interior dreams to reality.

## PHILOSOPHY

We, at Archidply Industries Ltd., are committed to achieving and sustaining a reputation as one of the market leaders for quality at competitive prices in International and domestic market for our entire product range.

## VISION

To be one of the premier interior solutions company. To be a support and strength to Architects and Interior Designers in helping them bringing alive their expression.

## COMPANY UNIQUE

- Public Listed Company
- 40 Years & Going Strong
- Three Strategic Manufacturing Facilities in India
- 1500 Employees, 30 Sales Offices, 2000 Dealer network
- Installed capacity to manufacture USD 60 million
- Exports to 15 Countries
- Recipient of Power Brand in India

## CERTIFICATIONS

At Archidply we are committed to better quality and ensure that the bar of quality is raised every time. We are now recipient of the prestigious :GREENGUARD" Certification, UL Environment, Inc.  
2211 Newmarket Parkway, Suite 106 Marietta, GA 30067-9399 USA

GREENGUARD Certification ensures that a product has met some of the world's most rigorous and comprehensive standards for low emissions of volatile organic compounds(VOCs) into indoor air.

## OVERSEAS BUSINESS

Archidlam is now exporting across the world! While already making a mark in India, Archidlam has taken foreign shores by storm. Setting the same world class standards, Laminates are now redefining the living space everywhere.

## 1 HIGH PRESSURE LAMINATE

Archidlam High Pressure Laminates is manufactured using modified phenol formaldehyde resin with a special molecular ratio to impart strong bonding in the laminates. The use of the state of the art High Pressure Laminate Press gives the product increased dimensional stability. In addition our Swiss make sanding machine ensures uniformity and well sanded surface for better adherence of the adhesive and more efficient use of glue.

## 2 DIGITAL LAMINATES

'GRAFIK'- Archidlam's Digital Laminate collection is a range of inspiring designs. These comprise of artistically blended patterns that bring life to any given space. These vibrant and dramatic prints have their own story to tell. They are indeed the choice of the new age!

## 3 ARCHID EDGE

Archidlam Unicore Laminate -'EDGE' Laminate is manufactured by using special décor paper in the core layer of the Laminates. One of the drawbacks of High Pressure laminates is a joint. Adchidlam EDGE laminate removes this limitation through a range of solid colour designs which infuse the material throughout its entire thickness, eliminating the shadow line effect. These laminates are perfect for retail spaces and customised furniture as they guarantee that while your interiors look sharp, the edges between the laminates are smooth. Unicore Laminate comes in solid colours, suede and glossy surfaces which uplift the look of your interiors.

## 4 MAGNETIC LAMINATE

Painting and pasting of pictures has become out dated. Stay tuned with new Archidlam 'MAGLAM'. A unique product that has an iron sheet within it. This value for money product can be used for displaying your notes/pictures using magnets, more creatively, yet without damaging the surface. Ideal for study rooms, conference rooms and even kitchens.

## 5 POSTFORMING LAMINATE

Archidlam Postforming Laminate is made using special resin and pressing technology that retains the postforming property, ensuring the desired level of bending at 160 degree.

## 6 FIRE RETARDANT LAMINATE

Archidlam Fire Retardant Laminates are manufactured by impregnating papers with special grade of phenolic resin having imported fire retardant chemicals in its composition. This special resin formula ensures high resistance to the flame propagation.

## 7 CHALK BOARD LAMINATE

Archidlam Chalk Board has a special surface for easy erasure of standard writing chalk. It can be used for Vertical and Horizontal applications. It is an excellent alternative to a writing board and is more economical too. The surface colour renders excellent contrast against chalk marks.

## 8 MARKER BOARD LAMINATE

Built with a special type of polymer, Archidlam Marker Laminate imparts durability to surface with easy cleaning of dry erase markers or wet erase markers. These can be used in conference rooms, auditoriums, colleges and institutions.

## 9 SWITCH BOARD LAMINATE

Archidlam Swtich Board Laminate has special insulation property which makes the sheets safe for use in plugs and sockets.

## 10 INTERIOR GRADE COMPACT LAMINATE

Archidlam Interior Grade Compact Laminates are formulated with inner core of celluloid fibres impregnated with special thermosetting resins.

## 11 EXTERIOR GRADE COMPACT LAMINATE

Archidlam now presents ArchidXterno which will beautify the façade of your building. It is possible to change the appearance of your exteriors in a wide variety of ways from exciting wood, stone or metal pattern and vibrant unic-colors. Being water resistant and UV resistant it can be applied onto the exteriors of Residences, Corporate Offices, Hotels, Malls, Airport Terminals, Balcony Claddings etc.

## 12 UNICORE COMPACT LAMINATE

Archidlam Unicore Compact Laminate is the amalgamation of multi-layered decorative papers and high performance. Each layer of colour is beautifully inspired to give you seamless beauty in every hue. Also available in Black & White.

## 13 DIGITAL COMPACT LAMINATE

As the world goes Digital, so do Archidlam Laminates! Choose your favourite photographs, designs, motifs and patterns and turn them into beautiful interiors around you with our Digital Compact Laminates.

## 14 SANDWICH COMPACT LAMINATE

Archidlam brings you Sandwich Compact Laminates – a brilliant breakthrough of technology that brings to your service multiple cover linings over the edges. You have the unique advantage of adding any number of different colour linings according to one's own personal preference. Come and take the edge off your Cabinets, Countertops, Tables and add the edge of magic!

## WHY USE ARCHIDLAM

### LATEST TRENDS

Archidlam offers a breathtaking, visually appealing and comfortable living space that is aesthetic magic in itself. Laminates are in vogue. We offer a wide variety of products which are stylish, smart , swanky and elegant.

### RESEMBLES REAL WOOD

The finesse of our wooden range resembles actual wood showing the real veins and crowns and minute grains like an actual bark of a tree. It has a very sophisticated look and feel and can be used in Hotel lobbies, Living rooms, Conference rooms Retail showrooms and Multiplexes.

### GERM FREE

We offer a germ free sanitised range of laminates which can be used without hesitation in sterile environments like hospitals, nurseries, kids rooms, kitchens etc making the place an antibacterial space

### HIGH QUALITY

At Archidply we are committed to better quality and ensure that the bar of quality is raised every time. Our products comply with quality standards like ISO 9001 & ISO 14001

### GREEN & ENVIRONMENT FRIENDLY PRODUCT

We are now recipient of the prestigious "GREENGUARD" Certification, UL Environment, Inc. 2211 Newmarket Parkway, Suite 106 Marietta, GA 30067-9399 USA. GREENGUARD Certification ensures that a product has met some of the world's most rigorous and comprehensive standards for low emissions of volatile organic compounds(VOCs) into indoor air.

### HANDPICKED PAPERS & TEXTURES

We import papers from Europe which are extremely premium and luxurious.

### COLOUR CONSISTENCY

With the help of advanced technology we offer uniformity in colours.

### GLOBAL PRESENCE

We are exporting across the world

### PAN INDIA MARKETING

We have 27 Branch Offices and 2000 Retailers

## LUXURY & OPULENCE- A VISUAL TREAT

Architects and Interior Designers have thoughtfully used their expertise in designing living rooms using laminates which exude magnificence and are simply a pleasure to live with.
